Patsy190 writes:

Six of us stayed here for the weekend. The first thing we noticed on entering our room was how small it was. Our rooms were clean, but the bed cover was stained. The furniture was really outdated, especially the bathroom, which had an old pink suite and linoleum on the floor. The 'shower' was a hose that you fit onto the taps. The sink was in the bedroom, right next to the television sockets which seems pretty unsafe to me.
