The hotel's is just 200 metres walk away from the racecourse, so it's really convenient. There's plenty of space to park. The bed was comfortable with clean cotton sheets. Good power shower. I would agree with some of the less favourable reviews on the site too, though. The room definitely needed some attention – it smelt musty and the furniture was old, cheap and battered. The bin hadn't been emptied from previous guests, and there was other rubbish on the floor.
